

MyHealth+ Access for minors

1. Download MyHealth+ app
 2. Make a log in and enter your information
 3. Click on your name in the top left hand corner
 4. Click on **Account Management**
 5. Click on **People I have access to**
 6. Click on **Request access to another account**
 7. Click on blue tab **Request access for a minor**
 8. Enter minor's information and click **Next**
 9. On the next screen you will verify your child's information and ✓ the box that says 'I certify....'
 10. Click **Submit request** (This could take up to 24 hours to get access to your minor's chart. It usually is within a few hours.)
 11. You will receive an email from Intermountain that you have been approved.
 12. Once you have approval go to the app and log in.
 13. Click on your name in the top left corner
 14. Click on **Account Management**
 15. Click on **People I have access to**
 16. All requested minors should be listed. You need to click on **Refresh User List**
 17. This will log you out and you will need to log back in.
 18. Once you log back in you should have access to all minors requested.
-
1. Now that you have access to your minors you can click on their name.
 2. At the bottom of the app it will say **Health Records**. You can click on that.
 3. This should bring you to a screen where you can look up test results.
